SUBJECT: Claims Exceeding 12 Month Timely Filing  
**Approved through June 30, 2008**

On June 28, 2007, CMS approved the two SPAs which added coverage of additional services billable to Medicaid by school providers:

- Medical Evaluations (T1024);
- Audiology (92553 – 92700);
- Psychological services (90804-90857, modifier AJ);
- Personal care assistant services (T2027, S5125);
- Special education transportation (T2003).

This document serves as an **authorized waiver of timely filing** for the claim to which it is attached. The claim must have a code included in this memo to be approved for payment. Please process the claim according to established payment procedures.

Thank you
